

Quality Assurance

✓ HAY ✓ PASTURE ✓ SILAGE ✓ GRAIN ✓ TMR ✓ PELLETS

OUR QUALITY ASSURANCE SERVICES ARE FOUNDED UPON:

- **Our NIR Feed Testing Service is backed by DAIRY ONE (USA)**, the worlds largest Feed Testing Laboratory - giving you fast and consistent results to the highest international standards, right here in Australia!
- **Visual Grading and Assessment of hay and grain** backed by Feed Central's 15 years of experience in hay inspection and marketing across all regions and all species.
- **Over 100 standard testing parameters available** including over 40 Rapid NIR Feed Analysis results (including energies, fibres, proteins and minerals).
- **Full array of special tests available** including DCAD, Wet Chem, Chemical Residue, Prussic Acid and Nitrates.
- **24 hour turnaround** of results available for NIR Feed Tests.
- **Ask our friendly team about our FREE POST Sample Bags.** Call 1300 669 429

WHAT DO YOU GET?

- After the completion of your test, you will be issued with an industry-recognised **Feed Test Quality Certificate**. As appropriate, the Quality Certificate includes:
- **Feed Testing Attributes**
- **Photos** (IN-LAB VISUAL TEST ONLY)
- **Visual Grading & Descriptions** (IN-LAB VISUAL TEST ONLY)

WHY GET A FEED TEST

Many farmers already utilise our Feed Testing Service to improve their bottom line... One unit of Energy (M.E.) can be a \$30-50,000 per year difference to the average Aussie dairy. Feed Central are expert marketers of hay and grain. We know that Feed Testing differentiates your product and helps you realise its true value.

HOW DOES IT WORK?

Our system works via our Quality Assurance Laboratories and Accredited (on-the-road) inspectors throughout regional Australia.

Our Labs receive samples direct from the public for rapid analysis; while our inspectors provide a more extensive and personalised On-Farm Inspection Service.

FEED TESTING IS EASY... NEXT STEP:

Simply complete our **SAMPLE SUBMISSION FORM** (see overleaf) and forward it with your sample to Feed Central.

If you require FREE POST Sample Bags, call 1300 669 429.

TURNAROUND AVAILABLE

"I Feed Test all my bought-in and home-made forage and grain; that way I know what I am feeding, letting me plan my grazing and rations. On my farm, one unit of enegy can make a \$30-50,000 improvement to profit. The other tests like Protein, NDF an Minerals are also vitally important to me, Feed Central have partnered with Dairy One to bring the world's best Feed Testing Technology to my district, so I am happy to support them."
