

Feed Standards Australia Memberships

FOR GROWERS. FOR CONTRACTORS.

Feed Standards Australia memberships are designed to recognise and differentiate professional operators across the hay and fodder industry.

With tiers of membership available, participants gain access to a range of benefits designed to strengthen both on-farm operations and market opportunities. These memberships help growers and contractors demonstrate professionalism and strengthen buyer confidence.

Which membership is right for you?

GROWER MEMBERSHIP

Who it suits: Hay producers who prefer third-party inspections and want to reduce costs, gain recognition and rewards, and improve how their hay is presented to buyers.

Duration: Annual

Grower Members benefit from reduced testing and inspection costs, improved visibility on LocalAg, and provide buyers with clear, trusted information. Listings integrate seamlessly with LocalAg and LocalAg Plus.

What's included:

- Discounts on inspections, merchandise and testing services
- Early access to resources, market reports and more
- Support through the Seed to Feed and Weed Safe programs

ACCREDITED GROWER MEMBERSHIP

Who it suits: Growers who prefer to complete their own inspections, are tech savvy, and have strong attention to detail.

Duration: Annual (includes AIP accreditation)

Accredited Grower Members can complete on-farm inspections at baling, saving time and \$550 per inspection while strengthening their listings. With seamless integration into LocalAg and LocalAg Plus, any sales through these platforms earn a 1% rebate.

What's included:

- Full AIP accreditation
- Online training (compulsory)
- On-farm training and support (as required)
- Access to the Feed Standards Australia Connect App

Required Equipment*

- Hay corer
- Moisture meter
- Ability to weigh bales

Qualified to deliver:

- On-farm inspections (for hay they have grown)
- Shed and property inspections
- Fire Insurance Risk Assessments
- Seed to Feed & Weed Safe

ACCREDITED CONTRACTOR MEMBERSHIP

Who it suits: Contractors wanting to offer inspection services to hay growers they're baling for and build credibility across the industry.

Duration: Annual (includes AIP accreditation)

Accredited Contractor Members can deliver inspections, generate additional income, and be recognised through the LocalAg and Feed Standards Australia contractor registries. Seamless integration with LocalAg and LocalAg Plus also provides a 1% rebate on sales completed through these platforms.

What's included:

- Full AIP accreditation
- Online training (compulsory)
- On-farm training and support (as required)
- Access to the Feed Standards Australia Connect App

Required Equipment*

- Hay corer
- Moisture meter
- Ability to weigh bales

Qualified to deliver:

- On-farm inspections
- Shed and property inspections
- Fire Insurance Risk Assessments
- Seed to Feed & Weed Safe
